

# Minor Damage Repair

*Scratch & Dent Assist*

**Invest in a Scratch & Dent Assist Membership**

Providing cosmetic repairs for all those minor dents and surface marks that are unavoidable.

Unlimited Cosmetic Repairs for the term of your membership for a fixed \$50 per repair

## About Minor Damage Repair

For up to five years, Minor Damage Repair Membership will ensure you are safe in the knowledge that a range of minor damage to your car's body panels, bumpers, interior trim, windscreen and wheels will be repaired without the need to claim on comprehensive insurance and without the need to pay the hefty insurance excess fees.

Our mobile repair team come to you, for repairs within 30 days (metropolitan and regional areas).

Our team of trained technicians use the latest technology to repair pressure dents in body panels, surface marks and scuffs and even cracks in side mirror casings. We have the expertise to repair scuffs on alloy wheels and plastic hub caps, as well as repairs to stone chips on panels and windscreens.

Mobile repairs are at a **fixed rate of \$50.00**, with unlimited repair visits for the term of the membership. For each 'damage type' we repair, the Fixed rate will be payable by the member.

All repairs listed in the 'What's Covered' section exclude replacement parts and trimmings. Any repairs that are not serviceable by the mobile van technicians are not covered in the Minor Damage Repair membership.

*You no longer need to stress about those shopping trolley dings!*

**+** With your Minor Damage Repair Membership receive a Vehicle Maintenance Kit

## What's in your **Vehicle Maintenance Kit**

The perfect solution to maintaining the condition of your vehicle.

This vehicle maintenance kit includes a range of superior products all designed to help you maintain the appearance of your investment.

### **Window Tint Cleaner**

Cleans and protects glass and mirrors. This product can be used on tinted and non-tinted interior and exterior windows and mirrors.

### **Wheel Cleaner & Brake Dust Remover**

Wheel cleaner is designed to remove black brake dust deposits from all types of wheel rims.

### **Fabric Stain Remover**

Removes stubborn marks and stains in carpet and fabric.

### **Paintwork Spot Cleaner**

Surrounds the dirt particles and enables their displacement without scratching the surface.

### **High Gloss Wash**

A time-saving 2-in-1 formula that leaves your vehicle with a protective coating and the ultimate high gloss shine.

### **Rain Repellent**

Remarkably improves vision while driving in the rain.

**The pack also includes a wide range of quality application devices to make applying the products efficient and effective.**

Microfibre Sponge | Chamois | Microfibre Cloth | Round Applicator Pad

# What's Covered?

## Panel Surface Marks

Cosmetic repair and removal of surface marks covering 2 panels, provided they haven't cut through the clear coating of the surface.

## Vinyl, Leather & Fabric Seats

Cosmetic repair of a hole, scratch or a tear in a seat, provided the damage is no greater than 50mm in length and 5mm in width and not on the seam or stitching.

## Windcreens

Front windscreen stone chips are repairable under this membership. Up to 2 stone chips with a maximum diameter of 3mm are repairable per repair callout.

## Side Mirror Casings

Repair of surface marks and scrapes, colour match and repaint of one side mirror casing.

## Bumper Bars

Repair, colour match and paint any surface marks, scuffs, scrapes or dents on any one bumper bar up to 40cm in length and 2cm in depth.

## Interior Trim

*(Leather and Vinyl Surfaces Only)*

Cosmetic repair and re-colour of non-structural damage to leather and vinyl surfaces, or non-structural damage caused by phone installation holes, or scratches, or worn leather trim, provided that the incidence of damage is no longer than 50mm.

## Dent Removal

Repair of up to 2 dents on a single panel, provided each dent is no larger than 100mm in diameter.

## Stone Chips

Cosmetic repair of up to 20 stone chips. Stone chips to a maximum size 3mm each chip.

## Alloy Wheels / Hub Caps

Repair and repaint gutter scrapes and surface marks to an alloy wheel or up to two hubcaps.

# Surface Marks

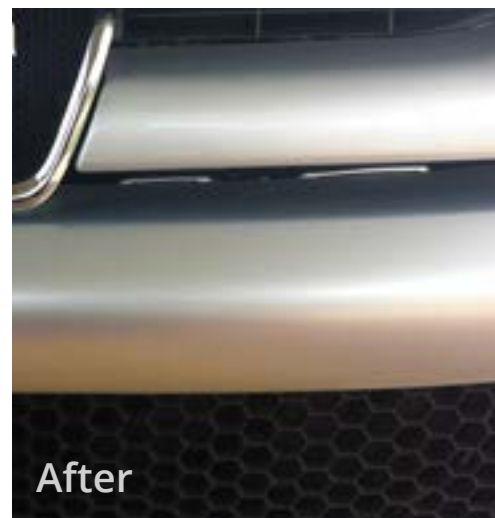

If you've ever misjudged a car park and come off second best, you'll benefit from Minor Damage Repair Membership. Our Surface Mark repairs can fit into two different categories: Bumper Bars and Metal Body Panel Repairs.

[Watch the video of how surface marks are repaired >](#)

## Area 1

### Bumper Bars

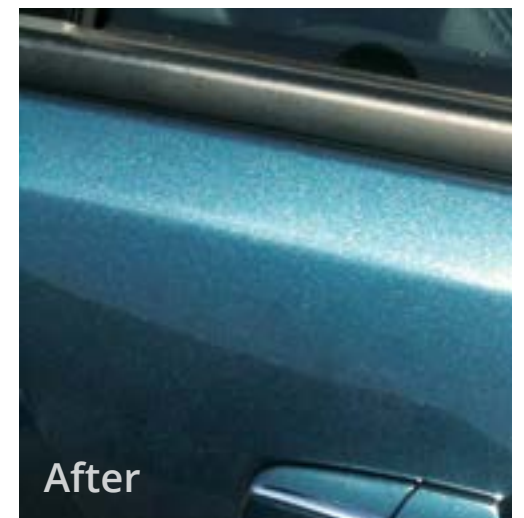

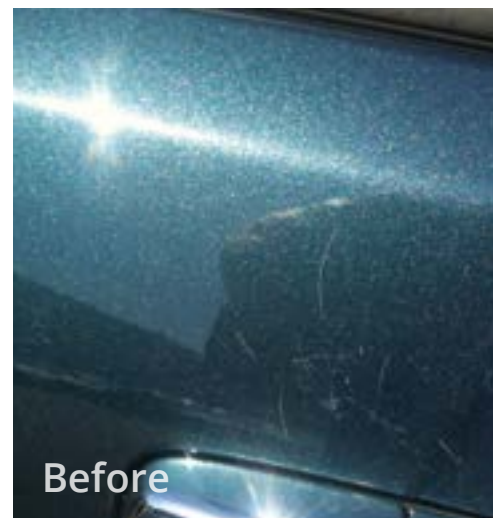

With the latest cosmetic repair technology, our team can repair plastic bumpers, repair minor damage and even repaint the affected area of your vehicle to help bring your car's look back to its original state.

## Area 2

### Metal Body Panel Repair

Our technicians can repair and remove light scratches or scrapes, covering up to 2 panels, restoring your vehicle's metal exterior back to showroom condition.

# Wheels

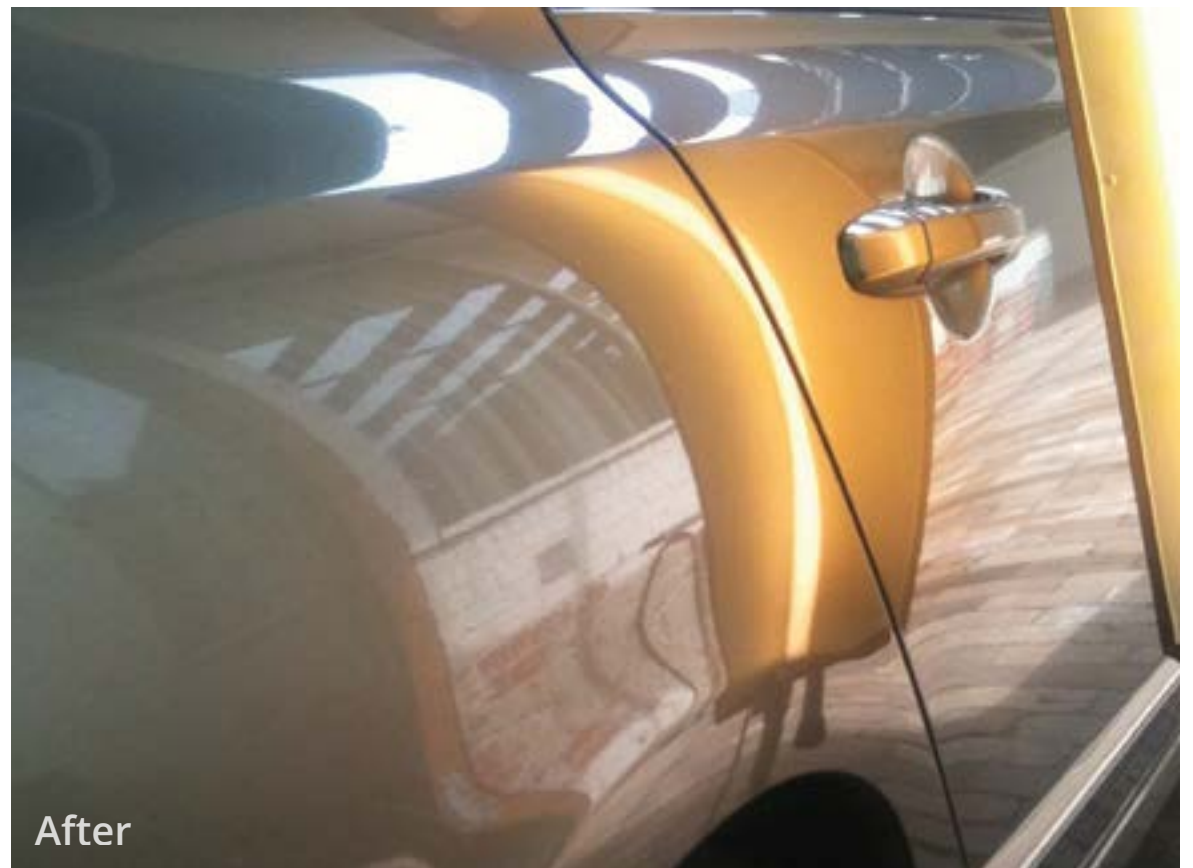

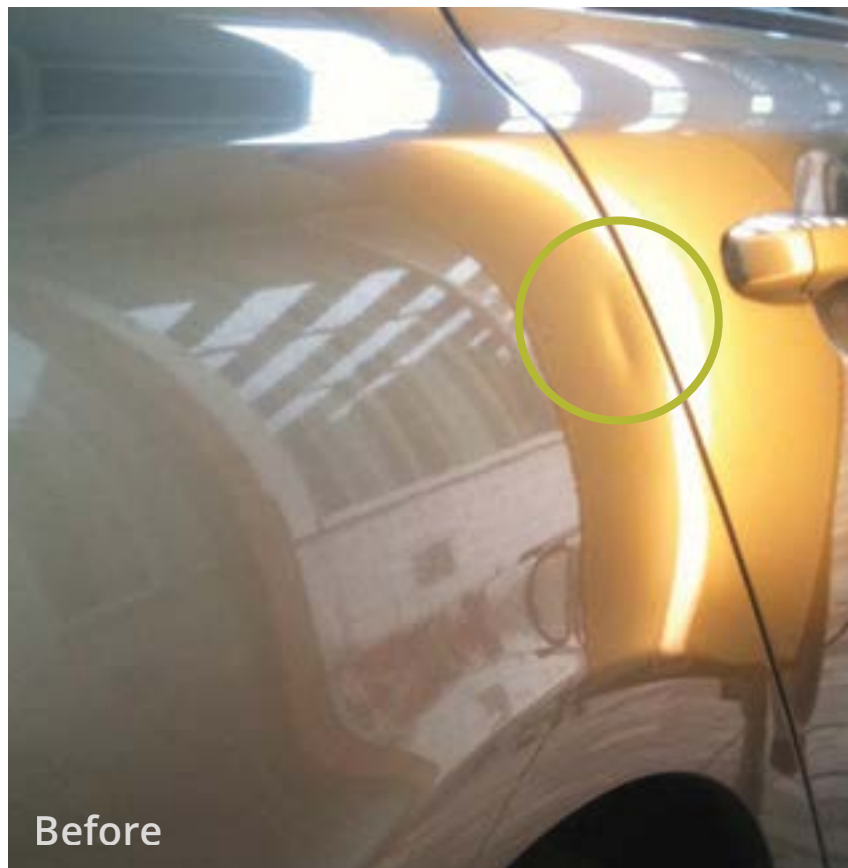

Minor damage to alloy wheels and plastic hub caps on most cars can be repaired to bring them back to life. Minor Damage Repair technology allows our repairers to clean, repair and re-paint the affected area on a wide range of wheels and hub caps.

[Watch the video of how the wheels are repaired >](#)

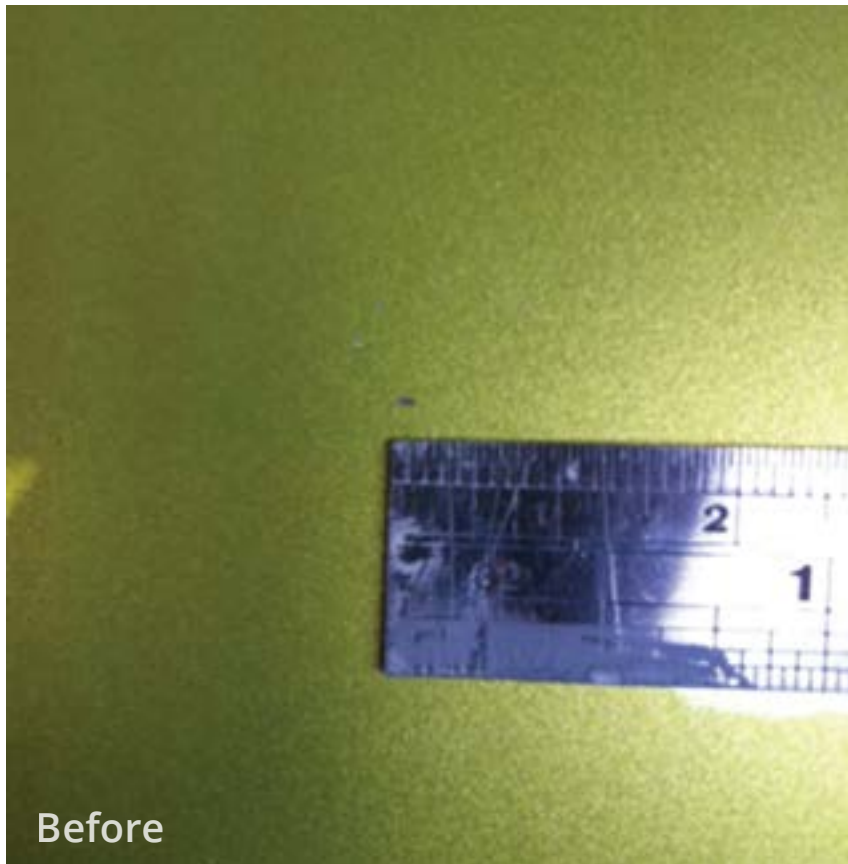

# Dents

Cars are exposed to potential damage in car parks from the doors of other cars, trolleys, bikes and even handbags. With our modern techniques, Minor Damage Repair members can have almost any minor dent repaired, all without the need to paint.

# Chips

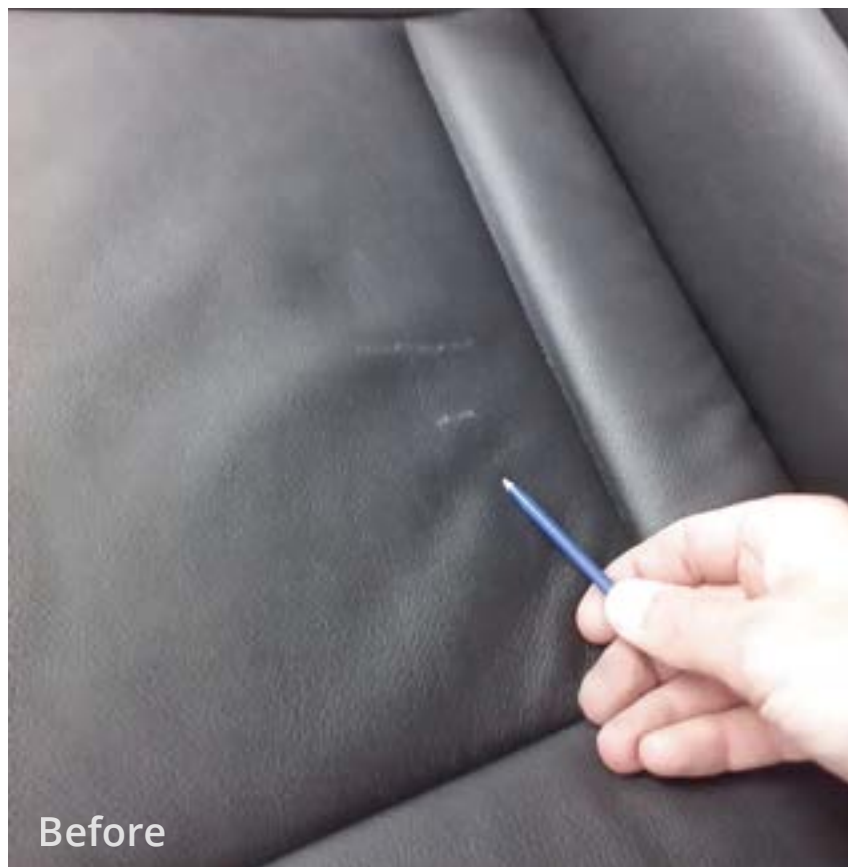

Stone chips are an often overlooked area of car care where the paint across the front of the car is pitted with little white chips that can eventually lead to surface rust or peeling lacquer. With Minor Damage Repair, our team of repairers can remedy stone chips to bring a fresh look to your car, while also helping to prevent ongoing problems.

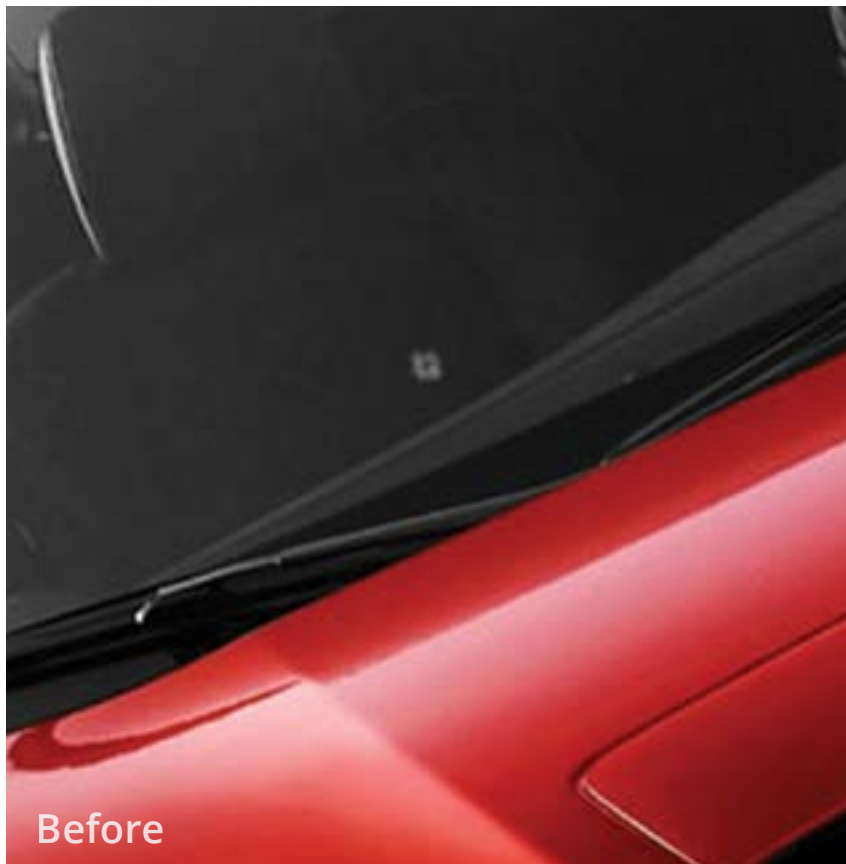

# Interiors

Car interiors are susceptible to a range of damage with people and goods going in and out of your car every day. Something as simple as a pen can cause terrible damage to a seat. Rips and tears in door trims and even seats can be remedied with Minor Damage Repair technology.

# Windscreens

Like chips in paintwork, damage to windscreens is not only unsightly, but it can lead to further problems, and be very dangerous. With Minor Damage Repair Membership, you're eligible to have up to 2 stone chips (or stars) with a maximum diameter of 3mm repaired to ensure better vision, protection and safety.

## Contact Us
