## Rights of an Insured Person

Any Insured Person who wishes to exercise a right to recover from Us needs to read this document carefully. It is an important document so please keep it in a safe place for future reference.

If an Insured Person suffers a loss of the type described in this document that they are eligible to claim for, they have a right to recover the amount of their loss from Us in accordance with the Policy solely by operation of being a third party beneficiary as defined in the Insurance Contracts Act 1984 (Cth). They can make a claim for the relevant benefits they are eligible for as detailed in this document but do not enter into any agreement with Us and are not charged by Us for the right to make a claim for those benefits. You pay the relevant premium to Us.

Insured Persons have no right to cancel or vary the Policy or its cover. Only You (as the contracting party) and We can do this. If We cancel or vary the Policy or its cover, We do not need to obtain an Insured Person's consent to do so.

We also do not provide any notices in relation to this insurance (e.g. termination or renewal) to Insured Persons as they are not a contracting party to the Policy. We only send notices to You as is the only person We have contractual obligations to under the Policy.

Insured Persons are not obliged to accept any of the benefits of this insurance, but if they wish to make a claim under the Policy then they will have the same obligations to Us that they would have if they were You by reason of the Insurance Contracts Act.

We will have the same rights against the Insured Persons as We would have against You.

Neither We nor You hold anything on trust for, or for the benefit or on behalf of, an Insured Person under this insurance arrangement.

Neither We nor You act on behalf of an Insured Person.

An Insured Person may only make a claim for benefits in relation to Your Vehicle to the extent that cover is available in accordance with the Policy terms and conditions, limitations and exclusions.

Despite any other provision of the Policy, an Insured Person's Period of Cover and right to cover only begins from:

- the time Your Period of Insurance starts; and
- the time the relevant Insured Person has been noted in writing by You as an Insured Person within 30 days of a Lease being entered into by You with them in relation to Your Vehicle; and ends:
  - the time they cease to be an Insured Person; and
  - the time they have been removed by You as an Insured Person; and
  - the time the Policy ends in accordance with the Policy or law (for example, when the Period of Insurance ends, the Policy is not renewed or is cancelled).

Any person who may be eligible should consider obtaining advice as to whether the benefits are appropriate for their needs from a person who is licensed to give such advice. Nothing prevents such persons from entering into other arrangements regarding insurance.

## Understanding the Policy

This PDS is an important document. Please read it carefully before making a decision.

It will help You to:

- decide whether this insurance will meet Your needs; and
- compare it with other products You may be considering.

Please note that any recommendation or opinion in this document is of a general nature only and does not take into account Your objectives, financial situation or needs.

You need to decide if this insurance is right for You and You should read all of the documents that make up the Policy to ensure You have the cover You need.

## Your insurance contract with Us

Where We agree to enter into a Policy with You it is a contract of insurance between Us and You. The contracting insured is referred to as “You” or “Your”. Insured Persons are different to the contracting insured.

The Policy consists of:

- this document which sets out the standard terms of this insurance and its limitations,
- Your Schedule and any current Certificates of Insurance. The Schedule and/or Certificate of Insurance shows the insurance details relevant to You and an Insured Person. It may include additional terms, conditions and exclusions relevant only to You or an Insured Person that amend the standard terms of this document. Only those sections shown as covered in Your Schedule or the Certificate of Insurance are insured; and
- any other change to the terms of the Policy otherwise advised by Us in writing (such as an endorsement or Supplementary PDS (SPDS)).

These written changes may vary or modify the above documents.

These are all important documents and should be carefully read together and kept in a safe place for future reference.

Any new or replacement Schedule or Certificate of Insurance We may send You, detailing changes to the insurance or the Period of Insurance or Period of Cover, will become the current Schedule or Certificate of Insurance (as applicable), which should be carefully read and retained.

Cover is provided on the basis:

- that You have paid or agreed to pay Us the premium for the cover provided; and
- of the verbal and/or written information provided by You which You gave after having been advised of Your Duty of Disclosure either verbally or in writing.

## The value We apply to Your Vehicle

We may insure Your Vehicle for either an Agreed Value or for Market Value. The value that applies to Your Vehicle will be shown on the relevant Certificate of Insurance.

### Agreed Value

The Agreed Value is the specified amount We agree to insure Your Vehicle up to, which is listed in the Certificate of Insurance. Typically, people seek to ensure that the amount takes into account:

- what it would cost to replace the Vehicle. This can include:
- any modifications, options or accessories that have been made or added to the Vehicle;
- GST;
- registration and any CTP insurance; and
- other on road costs such as stamp duty transfer, dealer warranty costs or transfer fees or dealer delivery.

### Market Value

If We insure Your Vehicle for Market Value We will assess the cost to replace Your Vehicle with a vehicle of the same make, model, age and condition as Your Vehicle immediately prior to the loss or damage but excluding costs and charges for registration, CTP insurance, stamp duty transfer, dealer warranty costs or transfer fees or dealer delivery.

To determine the Market Value We look at things such as:

- local market prices;
- Your Vehicle's condition; and
- any modifications, options or accessories that are attached to Your Vehicle and shown on the Certificate of Insurance.

## Your premium

In return for paying or agreeing to pay Us Your premium, We will provide the cover that You have chosen. Your premium will be based on Our view of the likelihood of a claim being made on Your Policy during the term of the Policy.

When We work out the premium We look at a number of factors that have over time been shown to be a good determinate of the likelihood of a claim being made. Some of these factors include the type of Vehicle You have, its value, where it is kept and relevant claims and incident/accident history.

Minimum premiums may apply. In some cases, discounts/ entitlements may apply if You meet certain criteria We set. Any discounts/entitlements may be subject to rounding and only apply to the extent any minimum premium is not reached. If You are eligible for more than one, We also apply each of them in a predetermined order to the premium (excluding taxes and government charges) as reduced by any prior applied discounts/entitlements. Any discounts/ entitlements will be applied to the base premium calculated prior to any taxes being added.

Your premium also includes amounts that take into account Our obligation to pay any relevant compulsory government charges, taxes or levies (e.g. Stamp Duty, GST, Emergency and Fire Services Levy) in relation to Your Policy. These amounts will be set out separately on Your Schedule as part of the total premium payable.

In cases where We are required to pay an estimated amount (e.g. for Fire Services Levies) based on criteria set by the Government, We allocate to the Policy Our estimate of the amount We will be required to pay. We may over or under recover in any particular year but We will not adjust Your premium because of this. You can ask Us for more details if You wish.

When You apply for this insurance, You will be advised of the total premium amount payable, when it needs to be paid and how it can be paid. This amount will be set out in the Schedule, which will be sent to You after the entry into the Policy. If You fail to pay, We may reduce any claim payment by the amount of Premium owing and/or cancel the Policy.

## **Fourteen day cooling off period**

You have a cooling off period of fourteen (14) days from the date You purchase this insurance. If You cancel Your Policy during this period You can receive a refund of the premium paid by You if You or an Insured Person have not made a claim or an event has not occurred that could give rise to a claim.

We may deduct from Your refund amount any reasonable administrative and transaction costs incurred by Us that are related to You buying and cancelling Your insurance and any government taxes or duties We cannot recover.

## **When the Policy ends**

Your Policy will end at the earliest of the following:

- the expiry date shown on the Schedule;
- on cancellation of Your Policy; or
- where We have agreed to pay a claim for the full sum insured for the relevant property.

## Renewal procedure

Before Your Policy expires We will advise You whether We intend to offer renewal and if so on what terms.

This document also applies for any offer of renewal We may make, unless We tell You otherwise.

It is important that You check the terms of any renewal offer before renewing to satisfy Yourself that the details are correct. In particular, check the sum insured amounts and Excess(es) applicable and to ensure the levels of cover are appropriate for You.

## Duty of Disclosure

### Your Duty of Disclosure

Before You enter into this insurance with Us, You have a duty of disclosure under the Insurance Contracts Act 1984.

The Act imposes a different duty the first time You enter into a contract of insurance with Us to that which applies when You renew, vary, extend or reinstate the contract.

This duty of disclosure applies until the contract is entered into (or renewed, varied, extended or reinstated as applicable).

### Your Duty of Disclosure when You enter into the contract with Us for the first time

When answering Our specific questions that are relevant to Our decision whether to accept the risk of the insurance and, if so, on what terms, You must be honest and tell Us anything that You know and that a reasonable person in the circumstances would include in answer to the questions.

It is important that You understand You are answering Our questions in this way for Yourself and anyone else that You want to be covered by the contract.

### Your Duty of Disclosure when You renew the contract

Where applicable, We will tell You what Your renewal duty of disclosure is prior to each renewal.

### Your Duty of Disclosure when You vary, extend or reinstate the contract

When You vary, extend or reinstate the contract with Us, Your duty is to tell Us every matter that You know, or could reasonably be expected to know, is relevant to Our decision whether to accept the risk of the insurance and, if so, on what terms.

### What You do not need to tell Us

Your duty however does not require disclosure of any matter:

- that diminishes the risk to be undertaken by Us; or
- that is of common knowledge; or
- that We know or, in the ordinary course of Our business as an insurer, ought to know; or
- as to which compliance with Your duty is waived by Us.

## **Non-disclosure**

If You fail to comply with Your duty of disclosure, We may be entitled to reduce Our liability under the contract in respect of a claim, cancel the contract or both.

If Your non-disclosure is fraudulent, We may also have the option of avoiding the contract from its beginning.

## **Governing law**

Your Policy is governed by the law of the state of Australian State or Territory where the Policy is issued.

## **Goods and Services Tax**

The sum insured chosen should exclude Goods and Services Tax (GST). In the event of a claim, if You or an Insured Person are not registered for GST, We will reimburse You or them (as applicable) the GST component in addition to the amount We pay You or them. If You or the Insured Person (as applicable) are registered for GST, You or they will need to claim the GST component from the Australian Taxation Office.

You or the Insured Person (as applicable) must advise Us of the correct input tax credit percentage where You or they (as applicable) are registered as a business and have an Australian Business Number. You or they (as applicable) are liable to Us for any GST liability We incur arising from the incorrect advice.

## **Some words have special meanings**

Certain words used in the Policy have special meanings. The “Words with special meanings” section of this document on pages 11 to 13 contains such terms.

In some cases, certain words may be given a special meaning when used in a particular section of the Policy or in the other documents making up the Policy.

# General Conditions applicable to the Policy

## Obligation to comply with the Policy terms and conditions

You and Insured Persons are required to comply with the terms and conditions of the Policy. Please remember that if You or an Insured Person do not comply with any term or condition, We may (to the extent permitted by law) decline or reduce any claim payment and/or cancel the Policy.

### Do not admit liability

You or an Insured Person must not:

- admit guilt or liability, or make a promise or offer of payment in connection with any claim; or
- offer or agree to settle any claim, without Our written consent.

If the claim is for legal liability, You or an Insured Person may make a written request to Us to agree that You or the Insured Person are covered in respect of the claim.

### Keeping evidence of the value of the insured property

You and any Insured Person should keep evidence of the value of all property covered under the Policy. You and any Insured Person should also keep evidence of the amount of any accidental loss, damage or destruction.

### Prevention of loss or damage

We may not pay a claim if You or an Insured Person do not take all reasonable precautions to prevent injury, loss or damage, including securing Your Vehicle against unauthorised entry when it is unattended. This includes removing the keys and locking the Vehicle. It is a condition of the Policy that Your Vehicle is kept in good repair.

# Making a claim

## Assisting Us with Your claim

You or the Insured Person must assist Us with a claim. This means give Us all the information and assistance with the claim which We may reasonably require. If You or the Insured Person do not We may not pay the claim (in whole or in part) or provide cover.

If We have the right to recover any amount payable under the Policy from any other person, You or the Insured Person must co-operate with Us in any action We may take.

## Deciding who is at fault

We will be solely responsible for deciding whether You or the Insured Person contributed to the cause of an accident.

## What We pay for

If We agree to settle a claim, We will:

- decide whether to repair Your Vehicle;
- pay the reasonable cost of repairing Your Vehicle;
- pay the Agreed Value or the Market Value (as applicable);
- pay any other benefits that apply;
- pay for any optional covers You have chosen and paid for; or
- deduct any amounts that apply to the Policy such as an Excess or unpaid premium.

## How We will settle a claim for Your Vehicle

We may choose to settle a claim for loss or damage to Your Vehicle in any of these ways.

## Repair Your Vehicle

We can arrange for one of Our selected repairers to repair Your Vehicle or You or the Insured Person can arrange for their own repairer. To see what happens when a decision is being made on a repairer see the section "Choosing a repairer".

## Pay You the reasonable cost of repairing Your Vehicle

Rather than repair Your Vehicle We can choose to pay You the reasonable cost of repairing it. If We choose this approach We will determine the reasonable cost by examining a number of factors.

This may include the quote from Your nominated repairer and other repairers as well as reports from Our trained assessors.

We may choose the approach of paying You the reasonable cost to Us of repairing Your Vehicle where We are not satisfied with the repairer You choose.

## **Pay Your claim as a Total Loss**

We may pay out Your claim as a Total Loss when We consider Your Vehicle to be a Total Loss or We choose to do so. If We pay out Your claim as a Total Loss, then cover for that Vehicle under the Policy comes to an end and there is no refund of premium to You for any unexpired Period of Cover for that Vehicle.

For Comprehensive insurance We pay the Market Value or Agreed Value (as applicable) less:

- the Excess; and
- any unpaid premium for that Vehicle.

We will keep the Vehicle.

## **Paying for other benefits**

If We agree to pay You other benefits under the Policy, We will determine the reasonable cost. We will repair, replace or pay the relevant loss or damage (as applicable) up to the maximum amount that applies under the benefit.

## **What happens to Your Vehicle?**

### **Recovered Vehicles**

If We settle Your claim under Comprehensive insurance and it is a Total Loss and Your Vehicle is later recovered We will usually keep the recovered Vehicle.

### **Damaged property**

If We settle the claim for a damaged item then it becomes Our property.

## **Payments to the credit provider**

If We pay You for a claim on Your Vehicle that is under a finance arrangement, We first pay the credit provider the lower of these amounts after deducting any Excess and any other deductions that apply:

- the Agreed Value or Market Value (as applicable);
- the cost of repairing Your Vehicle; and
- the balance owing to the credit provider under the finance arrangement.

If the credit provider is entitled to the salvage of the Vehicle, We will deduct the estimated salvage value of the Vehicle from any amount We pay them.

However We will only pay the credit provider if they:

- are noted on the Certificate of Insurance; and
- give Us any help We ask for.

If We make a payment to a credit provider, then that payment discharges Our obligation to You under Your Policy for the amount paid.

If We decide to settle Your claim as a Total Loss, before We settle Your claim:

- We will check the Personal Property Securities Register to confirm whether any money is owing on Your Vehicle; and
- You must settle any finance arrangement over Your Vehicle and remove it from that register.

## **GST notice**

The Policy has a GST provision in relation to premium and Our payment to You or an Insured Person for claims. It may have an impact on how You determine the amount of insurance You need. Please read it carefully.

Seek professional advice if You have any queries about GST and Your insurance.

## **Sums insured**

All monetary limits in the Policy may be increased for GST in some circumstances (see below).

## **Claim settlements – Where We agree to pay**

When We calculate the amount We will pay You or an Insured Person, We will have regard to the items below:

## **Acquisition of goods, services or repairs**

Where You or an Insured Person are liable to pay an amount for GST in respect of an acquisition relevant to a claim (such as services to repair a damaged item insured under the Policy) We will pay for the GST amount.

We will pay the GST amount in addition to the sum insured/ limit of indemnity or other limits shown in the Policy or in the Schedule or Certificate of Insurance.

If the sum insured/limit of liability is not sufficient to cover the loss, We will only pay the GST amount that relates to Our settlement of the claim.

## Payment as compensation

We will reduce the GST amount We pay for by the amount of any input tax credits to which You or an Insured Person are or would be entitled.

Where We make a payment under the Policy as compensation instead of payment for a relevant acquisition, We will reduce the amount of the payment by the amount of any input tax credit that You or an Insured Person would have been entitled to had the payment been applied to a relevant acquisition.

## Disclosure – Input tax credit entitlement

If You register, or are registered, for GST You are required to tell Us Your entitlement to an input tax credit on Your premium. If You fail to disclose or understate Your entitlement, You may be liable for GST on a claim We may pay. The Policy does not cover You for this GST liability, or for any fine, penalty or charge for which You may be liable.

## Business registered for GST

If You or an Insured Person are a business registered for GST. Before We make any payment on Your Policy, We will deduct an amount equal to Your or the insured Person's input tax credit entitlement. This applies to any amount We pay, including where We state that an amount will include GST.

We will consider any payment We make to settle a claim to be made in full even if We have reduced the amount We pay as described above.

## Recovery against another party

We have the right to recover from any person, in Your or an Insured Person's name, the amount of any claim paid under the Policy and We have full discretion in the conduct, settlement or defence of any claim in Your or their name. If We recover more than the amount We have paid to or on behalf of You or an Insured Person, We will pay You or the Insured Person the balance.

The amount of any Excess You or an Insured Person have paid will only be refunded when We have recovered the total amount We have paid under a claim, unless We have agreed otherwise.

## Repairing Your Vehicle

If We choose the option of repairing Your Vehicle, We will decide the best way of repairing any damage that exists.

You or an Insured Person have to get approval from Us before starting any repairs on Your Vehicle.

## Choosing a repairer

Allianz can assist in selecting a suitable repairer to repair the damage to Your Vehicle. You or an Insured Person also have the right to choose Your or their own repairer. In both instances We will work closely with the repairer to strive to achieve the best repair outcome for Your Vehicle, however We may require a second quotation from a repairer chosen by Us. We will then choose (subject to any relevant Policy limits) to:

- authorise the repairs at the repairer of choice;
- pay You the reasonable cost of repairing Your Vehicle; or
- move Your Vehicle to a repairer we both agree will repair Your Vehicle. In the instance that we both agree to move Your Vehicle We will provide You or an Insured Person with a rental car for up to three days in addition to any other benefit provided under Your Policy. The maximum We will pay for the rental car is \$100 per day.

## Authorising repairs

You or an Insured Person may only authorise emergency repairs as detailed under the “Emergency repairs” benefit (refer page 16 for details). You or an Insured Person cannot authorise further repairs to Your Vehicle without Our prior consent.

Before We make a decision regarding a claim and repairs to Your Vehicle, We may need to inspect Your Vehicle. A motor vehicle assessor will be appointed by Us. We or Our assessor will make the necessary arrangements with You or the Insured Person.

Where diagnosis (such as the stripping of engine) is required to determine if there has been Accidental Damage covered by the Policy, if You, an Insured Person or We incur costs for such diagnosis and reassembly and the claim is accepted as valid by Us, We will bear these costs subject to the applicable sum insured/limits of liability.

If the claim is not lodged or the claim is not subsequently accepted by Us, You or the Insured Person agree to pay for the diagnosis and reassembly costs.

## Parts used to repair Your Vehicle

If We are unable to repair the part, We use new, recycled or reconditioned parts that meet the requirements of Australian Design Rules (ADR). If such parts are not available or appropriate, parts from alternative distribution channels may be used.

We will not pay any amount greater than the maker’s last list price in Australia (together with a reasonable charge for fitting) for the supply of any spare part, extra or accessory.

In the event that any spare part, extra or accessory cannot be obtained within a reasonable time, We may choose to pay You or the Insured Person the value of the spare part, extra or accessory (together with a reasonable charge for fitting) rather than supply the spare part, extra or accessory.

## **Guarantee on repairs**

We guarantee materials and workmanship on repairs We authorise for as long as You own or lease Your Vehicle. This guarantee is not transferable.

## **Unrepaired damage**

If Your Vehicle had any unrepaired damage before an incident, then You or an Insured Person may need to contribute to the repair costs.

You or an Insured Person need to do this when the damage caused by the incident results in Us having to repair more areas of Your Vehicle that were affected by the unrepaired damage.

## **Undamaged areas**

We will not repair undamaged areas of Your Vehicle that have not been affected by damage caused by the incident to ensure a uniform appearance.

# Our Excesses

## Excesses payable

There are different types of Excesses which may apply to You, an Insured Person or the driver of Your Vehicle at the time of the incident giving rise to a claim. These Excess types are shown on the Certificate of Insurance under the heading "Excesses".

You may have to pay more than one Excess.

## Basic Excess

The basic Excess is the first amount You or an Insured Person must pay on each claim. The amount of the basic Excess will be shown on the Certificate of Insurance beside the heading "Basic excess".

## Age Excess

If a claim is made for an accident when Your Vehicle was being driven by or was in the charge of a driver under the age of 25 years, You or an Insured Person must pay the age Excess shown in the Certificate of Insurance in addition to the basic Excess.

## Inexperienced driver Excess

You or an Insured Person will need to pay the inexperienced driver Excess shown on the Certificate of Insurance in addition to the basic Excess payable if a claim is made for an accident when Your Vehicle was being driven by or was in the charge of a driver over the age of 25 who has not held an Australian driver's licence required to drive the subject Vehicle for at least 2 years.

You or an Insured Person will not have to pay any young driver (age), or inexperienced driver Excess if the claim is for any of the following:

- windscreen or window glass damage only;
- theft;
- hail, storm or flood damage;
- Malicious Damage; or
- damage to Your Vehicle while parked.

## Faultless Excess

You or an Insured Person will not be required to pay the basic, age and/or inexperienced driver Excess if:

- You or the Insured Person satisfy Us that the accident which gave rise to the claim was the fault of the driver of the other vehicle; and
- You or the Insured Person can supply the name and address of that driver, and
- You or the Insured Person can supply the registration number of the vehicle, and
- the amount of the claim exceeds the basic and age Excess under the Policy and is not a claim for windscreen damage.

# Changes to Your Policy

You and any Insured Person must tell Us immediately if during the Period of Insurance or Period of Cover:

- there have been any circumstances which could give rise to a claim under the Policy; or
- Your Vehicle is modified in a manner that affects its value or performance in any way.

When We receive this information, We may:

- alter the terms and conditions of the Policy with Your agreement; or
- charge You additional premium; or
- decide not to offer to renew the Policy.

If You or an Insured Person do not provide the information immediately We may not pay a claim under Your Policy in whole or in part.

## Cancellation rights under Your Policy

You may cancel the Policy at any time by telephoning Us. We have the right to cancel the Policy in certain circumstances.

These include:

- if You failed to comply with Your Duty of Disclosure;
- where You have made a misrepresentation to Us during negotiations prior to the issue of the Policy;
- where You have failed to comply with a provision of Your Policy, including a term relating to payment of premium;
- where You have made a fraudulent claim under Your Policy or under some other contract of insurance that provides cover during the same period of time that the Policy covers You; or
- where We are otherwise permitted to do so by law.

If We cancel the Policy We may do so by giving You three business days' notice in writing of the date from which the Policy will be cancelled.

We will give You written notice via one of the following ways:

- give it to You or Your agent in person;
- deliver it electronically where We are allowed by law; or
- post it to the address last notified to Us.

If You or We cancel the Policy We may deduct a pro rata proportion of the premium for time on risk, reasonable administrative costs related to the acquisition and termination of the Policy and any government taxes or duties We cannot recover.

In the event that You or an Insured Person have made a claim under the Policy and We have agreed to the claim no return of premium will be made for any unused portion of the premium.
