Information about remuneration

You will be charged an agreed premium for the product/s you select (plus relevant taxes and charges) which we will calculate and tell you before you purchase it. We receive commission from Allianz each time you buy a policy (including renewals) and for some variations, which increase the premium payable. It is part of the total premium payable by you for the product. It is calculated as a percentage of the net premium (this is the premium less stamp duty (where applicable), GST and other government taxes, charges or levies). We may also charge a fee, the amount of which will vary depending on the services we provide you. Any fee we charge is an additional cost to you.
